Menzerna Heavy Cut Compound 400 GREEN LINE is a VOC-free* innovative cutting compound for automotive clear coats. HCC 400 GREEN LINE removes sanding marks and signs of use in the shortest possible time without aggressive solvents. High performance finish without unpleasant solvent odors.

Benefits, special features

- Fast removal of sanding marks
- High quality polishing grit disintegrates during the sanding process, producing a uniform surface
- Works from heavy cut into the finishing range
- VOC-free* in Acc. with DIN EN ISO 11890-2
- free from unpleasant solvent odors

VOC-free*?

VOC- free means free from Volatile Organic Compounds (VOC) in according with DIN EN ISO 11890-2. The Menzerna GREEN LINE Products protects the health of the users and protect the environment. Especially with intensive use of solvent-containing products, health problems can arise. Furthermore the Menzerna GREEN LINE Products are free of hazard designations.
